A letter from Bank of Ghana to us indicated that, the penalties associated with the breaches in CAR, single obligor limit (SOL) and aggregate forex open position (AFOP) will be computed and deferred until the bank makes profits and its financial soundness indicators are within regulatory limits.

As at 31 March 2024, the Bank was not in a position to quantify the penalties.

Qualitative disclosures

Risk management framework

we have designed a Risk Management Framework covering the strategic framework, organisational structure, appetite, operational framework and risk monitoring and reporting.

"The Board of Directors has overall responsibility for the establishment and oversight of the Bank's risk management framework. There are in place the Risk Management and Audit sub-committees of the Board and an established Asset and Liability Management Committee (ALCO) which are responsible for developing and monitoring risk management policies in their specified areas.

The Bank's risk management policies are established to identify and analyse the risks faced by the Bank, to set appropriate risk limits and controls, and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions, products and services offered. The Bank, through its training and management standards and procedures, aims to develop a disciplined and constructive control environment, in which all employees understand their roles and obligations."

The process followed in risk management for the period ended 31 March 2024 are consistent with those followed for the year ended 31 December 2023.

"The financial statements do not contain untrue statements, misleading facts or omit material facts to the best of our knowledge."

Notes to the Editors:

The Bank commenced operations as a local merchant bank in 1990 with the sole aim of providing truly differentiated world-class banking solutions. CalBank Plc acquired a Universal Banking License in 2004 and in the same year undertook an initial public offer that was 4.5 times oversubscribed.

The operations of the Bank are backed by experienced managers in key functional areas with a combined experience of over 100 years in banking and finance. The CalBank Plc team provides the required solutions to clients and is supported by a strong IT platform that has seen the Bank being recognized for its innovative products in ICT & Electronic Banking since 2007.

Operations and Subsidiaries

CalBank's growth strategy is to focus on the growing Ghanaian corporate business sector. Since 2006, the Bank has developed its retail banking operations with specialized products and services to serve the needs of its growing retail clientele. The Bank currently has two Wholly-owned Operating Subsidiaries. CalAsset Management Company Limited is licensed as a fund manager and investment advisor by the Securities & Exchange Commission of Ghana. CalBank Nominees Limited ("CalNominees") holds and administers assets as a custodian.

Branch Network

The Bank has embarked on an expansion program and will continue to expand its footprint by increasing the number of branches throughout the country. Internationally, CalBank Plc benefits from strong correspondent banks all over the world. This enables us handle all international transactions quickly and effectively.
